$$\text{Live Release Rate} = \text{Live Outcome} / (\text{Live Outcome} + \text{Euthanasia})$$

The Live Release Rate includes all shelter euthanasia outcomes including owner requested euthanasia. The Live Release Rate does not include animals that were transferred between campuses or died naturally in shelter/care. Admin Missing refers to animals that might have escaped, been stolen, and otherwise unaccounted for via a normal outcome such as a data entry error.
